

Family Friendly Employer of the Year Award 2008

The Jersey Child Care Trust are busy organising their annual Family Friendly Employer of the Year Award for 2008. Nomination forms were distributed to every child on the island through schools and childcare.

With the closing date on 7th July, the nominations received have been received from 56 individuals, nominating 43 employers. These employers range from Florists, Hairdressers, Banks, Trust companies and even a Post office. Every employer nominated will be entered into the 2nd stage and will receive a questionnaire enquiring about their policies.

We would like to thank all those who took the time to make a nomination.
